2015a Website Program Description

Prerequisites: Gateway Voyage®

Each of us is born with unique opportunities for personal growth and self-actualization. Yet, in the unfolding of our lives we sometimes experience doubts. Are we fulfilling our greatest potential? Are we living according to our highest purpose?

Using special exercises powered by the Hemi-Sync® technology, the Timeline program is designed to guide you step-by-step toward knowing your life's higher purpose, to gaining new insights about how to live fully.

This program (on the Virginia campus only) includes an individual lab session using the L.I.F.E. Quantum Biofeedback System. The system offers an extremely unique experience during which you are guided to a past lifetime identified by L.I.F.E. There you have the opportunity to heal an unresolved conflict from that lifetime while the L.I.F.E. sends balancing frequencies.

Timeline leads you first to revisit the early years of your current life, uncovering and releasing old beliefs or recurring emotions that have limited or obstructed your progress. Your discoveries and insights are for your personal enhancement. Sharing them is welcomed but not required.

Next, you are guided into a deep exploration of "past lives"—other aspects of your consciousness—toward a new understanding of the origins of your current life situation. By healing and releasing the past you can create an opening to a more purposeful and fulfilling future.

Ultimately, you are led to move forward in local time, meeting your higher self, perceiving future events, receiving clarity about your purpose, and gaining a new life overview. Your new overview allows you to navigate life with the least resistance and maximum benefit. You are aided to realize what is possible—what can be optimized and accomplished with your remaining time in this life experience.

Timeline's methods and technologies help you upgrade at all levels. **Are you ready to live your best life? Sign up now.**

Participant Comments:

"The Timeline Program was filled with practical tools for life transformation. The experience was far beyond the descriptions of it! One of the experiences provided was a session in the booth with a LIFE biofeedback session focused on a past life exploration. The live interaction of the session

created a narrative account which brought a depth to the material often missed during more subtle flashes of imagery. That narrative creation made the experience more "alive" and vibrant, and is one of many aspects of the week that remains salient in my awareness now." ~ Gregory Brown

"Powerful! Timeline goes right through the heart. It was profoundly changing." ~ Lorna Bornemeier

"A really wonderful, fantastic, awesome program. It gave me insight into current problems and the ability to clear these issues through time." ~ Rose Mary Dreussi

"This workshop provided me with tools to help me change some of my old behavior habits, no matter where or when I created those patterns." ~ Dick Werling

"Timeline was a great gift for me, full of self-discovery and brilliant tools for enhancing personal power." ~ Barbara Bowen
